EXCELLENCE IN EVERY TILE

Innovation is a key to success and at Rajgres it has become almost a passion to translate innovative ideas into reality. Rajgres ceramic tiles are developed to ultimate perfection and quality through state of the art machinery and hard work of motivated team having experienced technocrats which made it possible that beauty and quality finely blend together.

Since Quality is costly affair, every care has been taken to ensure that each tile rolling out the unit is perfect to the tiniest details. Rajgres manufactures the world class flooring tiles, combine durability with color, design with comfort in a way that is unique. Moreover each tile has perfectly straight, sharp edges which gives your floor an excellent look and extra strength to withstand wear & tear.

Rajgres tiles are highly durable, stain resistant maintenance - free and available in variety of colors and designs. However the sheer beauty, finish and feel of the floor will simply amaze you. that is what sets it a class apart. after all it is a product from the company that has climbed higher heights with its innovative approach and unmatched quality.
